

Workplace Safety

DEVELOPING A SAFETY CULTURE

About
Katie Perry
Sr. Safety Consultant

Katie is a Senior Safety Consultant at Keystone Risk Management, specializing in workplace safety across Central and Eastern North Carolina. With extensive experience as an OSHA District Supervisor at the North Carolina Department of Labor OSHA Compliance Division, she brings leadership and expertise to her work. Additionally, with over 15 years in the US Army Reserves, specializing in Chemical, Biological, Radiological, and Nuclear (CBRN) warfare, she provides invaluable insights into safety preparedness. Katie holds a bachelor's degree in Occupational Safety and Health from Wayland University and numerous certifications, demonstrating her commitment to professional development and ensuring top-tier safety standards.

About
Ryan Furr
Safety Consultant

Ryan is a dedicated Safety Consultant at East Coast Risk Management. He embarked on his safety journey after completing his Bachelor's Degree from WVU and pursuing his Master's in Safety from IUP. With over 6 years of experience in Oil and Gas safety, Ryan is now bringing his wealth of expertise to his many clients in the Construction sector as well as in General Industry. Along with many other certifications, he is an OSHA certified instructor and delivers OSHA 10 and 30-hour courses. Known for his hands-on approach to training and client engagement, Ryan thrives on face-to-face interactions, ensuring his clients receive top-tier safety guidance and support.
